# **General Principals**

### 1. The Umpire

### 1.1 General Responsibilities

- (a) Competition games are to be, administered by a minimum of two umpires. During games they are administering, umpires **must** at all times:
- (b) Act in a responsible and safe manner.
- (c) Act in the best interest of the sport of Tee-Ball.
- (d) Comply with any relevant rules applying to the situation
- (e) Explain respectfully, clearly and concisely any request and or penalty to the person/s involved.
- (f) Use no physical force towards any person.
- (g) Refrain from any petty squabbling and solve problems in the most diplomatic way, respecting the opinion of others.
- (h) Discourage participants and/or spectators from bringing the sport into disrepute.
- (i) Ensure a safe playing environment for all players.

#### For the sake of definition this rulebook interprets the words "Bringing the sport into disrepute" as set out below:

Any act intended to contravene the rules. Any act designed to exploit gaps in the rules. Any act being of general anti-social behaviour. Any act that may be reasonably foreseen to cause injury Any act in contravention to the Four F's of Tee-Ball.

### **PENALTY:**

- (i) For a first offence, a coach, manager, spectator or player is liable at the umpires discretion to be removed from the game and the vicinity of the playing field if felt necessary. The umpire has the discretion to give a warning but on the second occasion by the same offender, they should be ejected.
- (ii) Failure to leave the vicinity warrants forfeiture of the game in such case, the score shall be nine/nil in favour of the opposing team.
- (iii) On all warnings, the umpire shall instruct the scorers to enter such, on the scorecard, with the offending members name, team and type of offence.

### 1.2 Making Decisions

- (a) When determining close decisions on a forced play, the rule is, the ball must BEAT the runner to the base and the fielder must have control of the ball.
- (b) Umpire's judgement decisions are final. However, an inquiry may be made on decisions based on rule interpretations but ONLY by the team Head Coach and directed to the plate umpire in a respectful manner. The plate umpire will then consult with the base umpire.
- (c) When more than one umpire is in attendance, umpires may consult with, but not overrule, each other. <u>The initial question on a rule interpretation must be directed</u> <u>to the plate umpire.</u>
- (d) Umpires must discourage exploitation of gaps in the rules.

## The Game

### 2. Objectives

### 2.1 Main Objectives

The main objectives of Tee-Ball are:

- (a) To introduce children to a diamond based team sport environment where enjoyment and success can be achieved by simple participation
- (b) To encourage and promote good health through exercise.
- (c) To promote and encourage good sportsmanship.

### 2.2 Parent Involvement

The game is for all to enjoy and have fun in participating. Parents should become involved by coaching, scoring, umpiring, managing or being an equipment officer for a team or club. By being involved we ensure the children play team sport in a healthy family participating environment.

### 2.3 Player Safety

### 5. Coaches

### 5.1 Positioning

- (a) When their team is batting, coaches are only allowed in the first and third base coach's boxes or in the team bench area. Coaches are permitted to assist and instruct a batter but must return to either the bench or Coach's Box before "Play Ball" is called. Coaches in first & third coaches' boxes must remain inside the marked lines of those boxes <u>during play</u>. The penalty for failure to comply could be removal from the game. Coaches must be given at least one warning.
- (b) Should the coach move outside the lines of the box and interfere with play, the leading runner shall be given out. When their team is fielding, all coaches must remain within the bench area. However, for nines or lower age teams, **one** coach may take a position anywhere behind the line of the outfielders to direct play. If a live ball touches any such coach, or he/she physically assists a fielder, the batter shall be awarded a home run.

### 6. Injuries

### 6.1 Injury During Play

If any player is injured during a play, an umpire will **<u>immediately call</u>** "Time" to halt the game. After attending to the injured player, the plate umpire will then, in consultation with the field umpire, use discretion to decide the outcome of that play.

### 6.2 Injured Player

(a) If an injury incapacitates a player, a coach may request the umpire's permission to remove that player from the batting line-up without penalty, except when less than 9 players remain, in which case rules 16c) and/or 16d) apply. Such player may not be permitted to re-enter the game.

- (ii) After treatment, with the approval of the umpire and the person administering first aid, the player may return to the game in the same position in the batting line-up.

(c) A player with an injury that is bleeding or open **MUST** be removed from the game and treated. All contaminated clothing and equipment must be replaced or cleansed of blood prior to the player being allowed to resume play, the wound must be covered. If bleeding reoccurs and cannot be controlled, the player may take no further part in the game.

(No penalty shall apply, except for rule 16d) the line-up closes up until the player returns to or is removed from the game)

### 6.3 Injured Batter

- (a) A <u>previously injured</u> player may have a substitute runner once they reach first base. The umpire must be informed of this request before the player bats They can only be substituted at first base after "Time" has been called.
- (b) Any runner injured when safe at base may have a substitute runner at that base. (In both cases the substitute must be the last batter who scored or was put out.)

### 6.4 Injury Reports

- (a) Umpires will instruct scorers to record in the scorebook next to the appropriate players name any injury they feel could/may require some ongoing attention.

- (c) On all warnings, the umpire shall instruct the scorers to enter such, on the scorecard, with the offending members name, team and type of offence.

# **Playing Rules**

### 9 Regulation Games

(i) Regulation games are those where scores are kept and are played with, Incrediballs, Teeballs or Baseballs.

### 9.1 Game Duration

A regulation game shall be of nine innings or one (1) hour, whichever occurs first.

- a) No innings shall commence within five minutes of the scheduled finishing time. (*An innings is defined as finished at the completion of the previous innings.*)
- b) Once an innings has commenced, it must be played to completion. e.g. Both sides have an equal amount of batting digs.
- c) Exceptions to Rule 9.1may occur during the "Warren Lake Carnival" or club carnivals were time does not allow for full games

### 9.2 Duration of an Innings

Each team will bat in the order listed in the batting line-up until, the third out is made or the innings is declared (see 16b).

### 9.3 Ninth Batter Indication

- a) At no time during a game shall anyone, that is, scorer, umpire, coach, manager, player or spectator make reference, by any verbal instruction or physical indication, to notify ninth batter is approaching or at bat.
- b) If a member of the batting team indicates ninth batter then the batter is out and the side is away.
- c) If the indication is made by the fielding team then the batter shall be credited with a home run. Such batter must still touch all bases legally.

### **10 Commencement of Play**

When the batter is settled in the batting box, the umpire will call "Batter Up" then "Play Ball" for each batter and after every **strike**, **foul**, **dead ball** or **when "Time" has been called**.

a) The umpire shall not call: "Play Ball" until <u>all</u> runners are in contact with their bases and <u>all</u> fielders are reasonably settled.

### 11 Calling "Time"

When the ball is hit, play proceeds normally until the ball is held by any player in an infield position (with no play being made) and all runners are in close proximity to a base. The umpire shall then call: "**Time**".

(Generally around three running paces is considered, "In Close Proximity". Only 1 runner may occupy a base.)

### 12 Catches

It is a catch if:

- a) A fielder takes secure possession in his/her hand or glove of a ball in flight, whilst over fair or foul territory, providing the fielder does not use any part of their uniform to deliberately take possession.
- b) The fielder takes the catch, then drops the ball while in the act of making a second play.

### **13 Foul Batted Balls and Strikes**

### 13.1 Foul Balls

A foul ball is a batted ball which: -

- a) First lands in **any** foul territory or Dead Ball territory. (see Diagram 2)
- b) First touches a fielder or umpire whilst in or over foul territory.

### NOTE:

- (i) At all times it is the position the ball would have landed had it not been touched by a fielder or umpire
- (ii) For any foul batted ball the Umpire shall call "Time, Foul Ball" and return all runners to their bases. The Plate Umpire shall then call "... strikes on the batter" and have him / her bat again or call him/her "Out" in case of a third strike.
- (iii) A batted ball cannot be declared a foul until it touches the ground.

### 13.2 Strikes

The batter is out after three strikes. A strike is called against the batter:

- a) If the batter hits a foul ball.
- b) If a full swing fails to dislodge the ball.
- c) If, in the umpire's opinion, the batter hits more tee than ball when striking at the ball. It cannot be considered more tee if a ball reaches a mid-outfield.
- d) If, in the umpire's opinion, the batter does not take a normal full forceful swing when striking at the ball.
- e) Back foot movement. Refer 16.4
- f) Batting out of the box. Refer 16.6
- g) If the batter steps on home plate whilst in the act of hitting the ball.
- h) If a batted ball first lands on Home Plate

### 14 Fair batted balls

A fair ball is a batted ball that:

- a) First lands in fair territory.
- b) First lands on any Diamond line or hits an umpire or fielder whilst on or over fair territory.
- c) Settles anywhere on the playing field having first landed fair
- d) Is caught anywhere on the playing field (in fair or foul territory).

Note:

- (i) At all times it is the position the ball would have landed had it not been touched by a fielder or umpire
- (ii) See diagrams 2 & 3 for interpretation of the words Playing Field, Fair & Foul Batted Ball Area, Diamond lines and Dead Ball Line.
- (iii) On a caught ball in Fair or Foul territory, the ball is live, therefore runners may advance at their own risk with the opportunity to be put out.

### Diagram 2 Fair & Foul Batted Ball Area

### 15 Dead Balls

Umpires must call "Time" and "Dead Ball" to stop play when:

- a) A ball crosses the Dead Ball line (see diagram 2).
- b) A ball enters the batter warm up circle (if it is occupied).
- c) In their opinion a player appears hurt and in need of attention.
- d) In their opinion any person on the diamond could foresee ably be about to enter into danger.
- e) In their opinion any person on the diamond could foresee ably be about to cause danger.
- f) In their opinion a fielder deliberately carries, knocks or kicks a ball over the dead ball line in an effort to supress any runners

In case (a) if a batted ball ricochets off a fielder (in fair territory) and crosses the dead ball line the runners get the base they were going to when the ball crosses the line. In case (a) if a thrown ball rule 17.3 applies. In case (a) if a batted ball crosses the Dead Ball Line straight off the bat, it is Dead and the batter bats again with one strike called.

In cases (b) to (f) the umpires will after calling "Time, dead ball" rectify the situation by <u>consulting</u> with one another to determine what the outcome of that play should have been.

# **Batting and Base Running**

### 16 Batting

### 16.1 Batting Line-up

- a) Though only nine (9) players field at any one time, up to twelve (12) players may be listed in the batting line-up, with only nine (9) to bat in any one innings. The next innings starts with the next listed batter.
- b) If less than three batters are out and nine (9) players have completed their turn at bat, the umpire shall declare "Side Away".
- c) A side with less than seven players shall forfeit the game 9-0. If the opposing team has more players, they may lend one or two players to the opposition and such players shall be deemed to be registered players for that team for the duration of the game.
- d) If only seven (7) or eight (8) players are available and no 'loan' players come forward, the game shall proceed normally except, when batters 8 and/or 9 are due to bat, they are "automatic outs". Scorers must notify umpire and coaches of "automatic outs".

### 16.2 Batting Order

- a) a player's position in the batting order is fixed when they have completed their turn at bat.
- b) Once all listed players have batted, no names can be added to the line-up, except in the case of substitution (21.2)

### 16.3 Batting Out of Order

- a) When a batter is found batting out of turn, the umpire shall call "time" and nullify play by returning all runners to the bases where they were before the ball was hit by the improper batter. The proper batter will then take their turn at bat and any strike/s recorded on the improper batter will count for the proper batter. Any "outs" made whilst the improper batter was at bat will count, against the proper batter.
- b) The rule shall apply from the call of "Play Ball" for the improper batter to bat, to the call of "Play Ball" for the next batter to bat.
- c) The improper batter becomes a legalised batter when "Play Ball" has been called for the next batter to bat. The next batter is then the batter named after the legalised improper batter.

#### **16.4 Back Foot Movement**

When the umpire calls: "Batter Up", the batter shall take a set stance in the batting box. From the call: "Play Ball", the batter is not permitted to reposition the back foot such that, in **the umpire's opinion**, the ball will be hit in an **appreciably different direction**. (Front foot movement is permitted.) The penalty for each back foot movement is "Foul Ball" and one strike is recorded on the batter.

**NOTE:** Pivoting or dragging the back foot after contact is permitted.

#### 16.5 Hitting Ball Early

If the batter hits before "Play Ball" is called, the ball is dead and no count is recorded on the batter.

#### **16.6 Batting Out of the Box**

When hitting the ball, the batter shall incur a strike if, at the time of contact either foot is **completely** outside the batting box. **The ball is dead and runners may not advance.** Batting out of the box only occurs if contact is made with the ball.

#### 16.7 Second strike on Ball at Tee

A batter is out when, after hitting a ball they dispose of the bat in a way that causes it to make contact with the ball a second time in fair territory.

#### 16.8 Thrown Bat

The batter shall be given out for disposing of the bat in a dangerous manner. (It is considered dangerous when the bat is **thrown** in any direction, this includes towards the ground) The ball is dead and runners are returned to the base they occupied before the hit. **(Players should Hit, Drop and Run or Hit Run and Drop)** 

#### 16.9 Batt Disposal

The Batter shall be given out and the ball deemed dead if he / she has not disposed of the bat by the time they reach half way to First. Note:

- a) The half way point shall be a judgement decision by the umpire and therefore unquestionable.
- b) All runners shall be returned to their bases and the next batter called up
- c) The bat must be disposed of in a safe manner. see Rule 16.8

### **17 Base Runners**

#### 17.1 Leaving the Diamond

Any runner having left the diamond gives up the right to re-enter the diamond or to take any further part in that <u>At bat inning</u>. (This rule refers to runners or batter/runners and shall not include players being sent from the diamond incorrectly by the umpire).

#### 17.2 Removing Helmet

After the batter hits the ball, any base runner, who, **<u>intentionally</u>** removes their helmet and is not put out before the umpire calls "Time", will be returned to the base they last crossed before the helmet was removed.

### **17.3 Overthrows**

Runners will be awarded the next base from where they were when any thrown ball crosses the Dead Ball Line. A base is not considered legally crossed until touched or the umpire calls "Play Ball" on the next batter.

(i) If no appeal is made on the base not being touched and the umpire calls "Playball" on the next batter the base is considered legally crossed.

### 17.4 Leaving Base Early

No runner may leave their base before the ball is hit. When a runner leaves the base before the ball is hit, both umpires shall call: "Time Dead Ball", and return all runners to their bases. The Umpire shall warn the runner who left the base early that if the same runner offends again in the same innings, the runner shall be called: "Out". Note:

(i) As the infringement happened before the ball was hit, there is no need to wait for the ball to hit the ground, the ball is **Dead** therefore any catch will not count and there shall be no count on the batter.

### 17.5 Running to First Base

Batters, running to first base, must run the second half outside the diamond. If not and a play is made between home and first base, the batter/ runner will be called out.

### 17.6 Running through First Base

Batter-runners are permitted to run or slide through first base provided they return immediately to the base. Runners are out if they display any **intent** to move towards second and are tagged while off base.

### 17.7 Touching Bases in Order

When running bases, a runner must touch each base in order. If a runner misses a base, the fielder may appeal by holding the ball whilst in contact with the missed base. The appeal will be allowed <u>only</u> if the umpire has seen the runner miss the base and the fielder making the appeal correctly identifies which runner it was, on the <u>first appeal</u>. Under this rule runners are not entitled to return to an occupied base. When retouching bases, runners must do so in reverse order. On a successful appeal that runner shall be given out.

### 17.8 Tagging a Runner

Whilst the ball is live any runner may be put out by being tagged by a fielder whilst off base.

- (a) To be put out on a forced play the base may be tagged before the runner arrives or the runner may be tagged before they arrive at the base
- (b) To be put out on a non-forced play the runner must be tagged before they reach the base.

Note:

- (i) Tagging a runner consists of touching the runner with the ball or the hand or glove containing the ball.
- (ii) Tagging a base consists of touching the base with any part of the body whilst in control of the ball.
- (iii) After the tag is made, the fielder must still have control of the ball.

### 17.9 Forced Play

A forced play is one in which a runner legally loses the right to occupy a base. This occurs when a batter becomes a runner and there is no empty base behind the runner.

### 17.10 Leaving Base Early (on a legal hit)

Runners are out if they leave the base before a batted ball is caught and they fail to retouch that base before they or that base are tagged by a fielder with the ball.

#### 17.11 Live Ball after Catch

On any catch, whether a fair hit or a foul hit, whether in fair or foul territory, the ball is live and runners may advance at their own risk.

### 17.12 Passing Runner in Front

A runner is out if, and when, they pass the runner/s in front of them before such runner/s are given out.

### 17.13 Runs on Third Out

No runs can be scored on a play where the third out is made -

a) On the batter-runner before they have touched first base, or

b) On a force play.

When the third out made is <u>not</u> as in (a) or (b) any runs scored before the third out is made will count.

### 17.14 Suicide Running

Umpires should be aware of any attempt by Coaches or runners to force errors by suicide running or barging. Any advantage gained by this practice shall be nullified and the runner returned to the base before this occurred. Any outs made shall stand. The umpire should at least warn any player they suspect might have committed this offence. In the more severe of cases where injury could have occurred, the umpire has the right to give the player out or if called by a Coach, eject the Coach. A Coach or player must have received at least one warning before ejection.

#### 17.15 Dislodged Base

- a) If the impact of a runner dislodges a base from its position, no play can be made on that runner at that base if the player had reached that base safely.
- b) Any following runner on the same play shall be considered as touching or occupying the base if, in the umpire's judgement the player touches or occupies the point marked by the dislodged base.

Note: any attempt to advance beyond the dislodged base shall nullify the player's exemption while off the point marked by the dislodged base.

#### 17.16 Avoiding A Tag

A runner is out if they deviate from the running line <u>they are taking</u> to avoid being tagged.

Note:

- (ii) If close to a base runners **<u>may</u>** try to slide under a tag.
- (iii) Runners may turn to go back, choosing the shortest line, if they are not in a force situation

### **18 Interference**

#### 18.1 Interference on Batted Ball

If a runner interferes with a fielder whilst in the act of fielding a batted ball, the runner is out, the ball is dead, and no players may advance unless forced.

#### 18.2 Interference on Thrown Ball

If a runner **intentionally** interferes with a fielder whilst in the act of fielding a thrown ball, the runner is out, the ball is dead and no players may advance unless forced.

#### 18.3 Interference after being given out

Umpires shall come together and determined the outcome of a play where a runner who has been called "out", interferes (deliberate or accidental) with a fielder attempting another out. For their teams sake players should leave the field immediately they are given out.

# Fielding

### **19 Fielders**

#### **19.1 Number of Fielders**

Nine (9) fielders occupy the field.

#### **19.2 Sitting out Consecutive Innings**

No listed player will sit out two consecutive fielding innings unless at their request to the umpire. Should the umpire notice this infringement he/she shall give one warning to the coach. On the second occasion, the umpire shall remove the coach from the game.

#### **19.3 Fielding Positions**

From the call of "Play Ball" til the batter swings and hits or misses the ball:

- a) Fielders must field in orthodox fielding areas, approximately as shown below, while maintaining relative separation.
- b) Fielders should be reasonably set in their positions. Eg: outfielders should not be running.
- c) The pitcher must be in contact with the pitching plate, and must be the only fielder inside the diamond.
- d) The catcher must have their whole body to the side opposite the batter, outside, and behind, the back line of the batting box. Only an arm may extend forward of the back line **but not into the batting box**.
- e) No fielder, except the catcher, may be in foul territory.
- f) From the call of Play Ball until the batter swings, only limited movement is permitted within their orthodox fielding positions for all fielders except pitcher and catcher who should remain stationary. The umpire shall not call "Play Ball" until all fielders are reasonably settled
- g) When, in the umpire's opinion, the offending fielder gains an advantage from a violation of (b), (d), (e) or (f) the umpire shall call: "Dead Ball" and return all runners to their bases. On all occasions, the umpire shall warn the offending player.
- h) When, in the umpire's opinion, the pitcher, leaves the pitching plate after "play ball" has been called, and prior to the ball being hit. The umpire shall call: "Dead Ball" and return all runners to their bases. The umpire shall warn the offending player.
- i) If the pitcher offends for the second time (or more), in the same innings, the umpire shall call "Dead Ball", and advance each runner on base, one extra base.

### **19.4 Removing Helmet**

Fielders wearing helmets must not intentionally remove them at any time while the ball is live. Any interference caused by a discarded helmet shall give all runners one extra base. No outs can be recorded on a play where interference has been caused by a helmet.

#### 19.5 Removing Part of Uniform

A fielder may not deliberately remove any part of their uniform or equipment to stop a batted or thrown ball. If the ball is touched in this way the penalty is a home run to the batter.

### **19.6 Diagram of Orthodox Fielding Positions**

For Left Hand Batters Catcher would stand on other side

### 20 Obstruction

Obstruction is the act of a fielder who, while not in possession of the ball and not in the act of fielding the ball, impedes the progress of any runner. If a fielder obstructs a base runner, the umpire shall invoke such penalty that will nullify the obstruction.

**NOTE:** Base runners must advance at least one extra base from where they were going.

# **Substitution**

### **21 Substitution**

### 21.1Change of Fielder

Any player who is listed in the batting line-up may be swapped for a fielder at any time, provided: "Time" has been called. A fielder so replaced may return to the field with the approval of the umpire at any time provided "Time" has been called and that only nine (9) fielders are on the field whilst play is in progress. This rule must not be used to circumvent rule 19.2

### 21.2Replacement of Player

Players may be officially substituted; however, the replaced player may take no further part in the game. The new player **must** take the substituted player's place in the batting order. Substitutes must be listed as reserves in the line-up. Substitutes may only be used in a team that already has twelve players listed in the batting order.

(i) Any player registered as a team member must play each game unless sat out for injury, discipline or absent.
